Members of the General Assembly Judiciary Committee,

I'm writing in regards S.B. No. 16 An Act Addressing Gun Violence & Juvenile Crime. I appreciate Governor Lamont wanting to get tough on crime, but I cannot support this bill that has 60 pages of infringement on the rights of citizens. None of these gun control proposals will actually accomplish being tough on crime. Re-title the bill An Act to Limit Lawful Firearms.

You also need to discard H.B. No. 5416

Connecticut has some of the toughest gun laws in the country. These laws as many others we have will do nothing to stop crime or prevent it.

However, as a resident of Connecticut I ask that you **SUPPORT** the following bills: **S.B. No. 388, H.B. No. 5415 and H.B. No. 5412**

Sincerely,

Spencer Barry
